REPORT AND FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2018

SCOTTISH CHARITY NUMBER: SC045236

CGLMC LIMITED (LIMITED BY GUARANTEE) CONTENTS

	Page
Trustees' Annual Report	1 - 11
Report of the Independent Auditors	12 - 14
Consolidated Statement of Financial Activities	15
Consolidated Balance Sheet	16
Consolidated Cash Flow Statement	17
Notes to the Consolidated Cash Flow Statement	18
Notes to the Financial Statements	19 - 30

The Trustees have pleasure in presenting their report together with the audited financial statements of the charity for the year ended 31 March 2018.

The financial statements have been prepared in accordance with the accounting policies set out on pages 18 to 20 and comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended), the Companies Act 2016, the Memorandum and Articles of Association and Accounting and Reporting by Charities: Statement of Recommended Practice (SORP) applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014.

Chairman's Report

2017 was also notable because CGLMC was able to increase the direct financial contributions to the town in the form of charitable grants. This will now form an important part of the annual activities of CGLMC, as we seek to fulfil our charitable responsibilities.

I would like to pay tribute to the efforts of all Trustees during 2017. Trustees, particularly the sub-committee convenors, devote many unpaid hours to the management of the Carnoustie golf courses.

I also want to thank our staff, who once again produced golf courses in magnificent condition, and looked after our customers so well.

2017/18 saw the conclusion of the construction of the new Golf Centre, which will not only be a major asset to Carnoustie Golf Links, but will be a significant new venue for the people and town of Carnoustie. It will be open to the public in April 2018

The Craws Nest Tassie continued to be an incredibly popular event, being sold out in less than 10 minutes when the entries opened in January. The Tassie brings over 300 golfers to Carnoustie every year and is of huge importance to the local economy.

2017/2018 saw Carnoustie Golf Links taking a lead in the environmental arena in its approach to sustainable environmental practices. This concluded in January 2018, with the Links being awarded Environmental Golf Course of the Year. We continued our focus on being a flagship organisation specifically looking at ecology and the protection and conservation of Wildlife on the links as well as initiatives around landscape enhancements and our influence on neighbouring partners to adopt similar responsible approaches to environmental and ecological practices.

There remains a significant annual increase in the investment we make to support junior golf. This support for the future is a fundamental responsibility of CGLMC and one to which the Trustees remain very committed.

In closing, I would like to thank all the golfers who supported us by coming to play over our 3 courses in 2017 and, by doing so, allowed us to carry out our Trustees duties, and to maintain the golf courses for the future enjoyment of everyone who wishes to come and play our great game.

Patricia Sawers, Chairman of Trustees

Objects and Activities of the Charity

CGLMC Limited was granted charitable status by the Office of the Scottish Regulator (OSCR) on 17 November 2014 since when our key drivers are our charitable purposes.

These objects demand of us:-

- to promote the provision or development of recreational facilities in the Carnoustie area with the object of improving the recreational facilities or activities available to citizens residing within the Carnoustie area:
- to promote the advancement of the arts, heritage and culture for the benefit of citizens residing within the Carnoustie area:
- to promote the advancement of community development for the benefit of citizens residing within the Carnoustie area; and
- to promote the advancement of environmental protection or improvement.

With three 18-hole links courses, the Championship Course, Buddon Links and Burnside, Carnoustie is open to the public and has three superb golf courses to cater for every golfer. The golf courses are open every day welcoming visiting golfers from all over the world, CGLMC season ticket holders and Angus residents.

As a Company Limited by guarantee with registered Charitable status, our clear strategic intention is reflected in (i) our Articles of Association and (ii) our contractual and legal obligations to Angus Council, our principal client for delivery of key services to:

Operate Carnoustie Golf Links as a world leading venue offering an outstanding golfing experience to all and benefiting the local community.

Our continued success is dependent on continued fulfilment and delivery of our obligation to maintain our golf courses to a standard capable of achieving Open Championship status (which event generates an estimated £140m for the wider community). The Championship status of our course attracts visitors globally who in turn contribute circa 75-80% of our annual income. At the same time, we must look after local players and season ticket holders making golf accessible and available locally. More broadly we also seek to benefit the local community of Carnoustie and each year we seek to support local good causes.

Our Strategic Values and aims

Our Vision to: Operate Carnoustie Golf Links as a world leading venue offering an outstanding golfing experience to all and benefiting the local community is underpinned by the following values and aims which we will always refer to when making decisions relative to how we plan and operate our business:

We will:

▶ Keep our courses challenging, enjoyable, safe and in outstanding playing condition to continue attracting the Open Championship and other prestigious golf tournaments

Building on our previous success and experience, we are delighted to have been invited to host the Open Championship 2018. In order to secure this event and future events we must first and foremost focus on the condition of our courses.

To this end we will continue to invest in specialist equipment and machinery building on our existing stock at a capital cost of £230-250k per annum. A detailed operational plan with a continued estimated operating cost of £430-£500k per annum including course improvements/winter works, increasing by inflation each year, will ensure delivery of the courses to the required standard throughout the period of this plan with emphasis to ensure best in class condition for hosting the Open Championship in 2018.

Providing welcoming, attractive facilities to which our members and visitors wish to return

We recognise that visitors and members have increasing expectations and if we are to continue to attract visitors upon whom we depend on for the significant share of our revenue we must offer convenient and top quality associated facilities. To this end we have embarked upon a major capital project to build and develop complementary bar and restaurant facilities with associated offices at a capital cost of c£6m available for early 2018. The R&A, organisers of the Open Championship, have indicated that these new facilities will undoubtedly help Carnoustie's application to secure future Open Championship events.

We currently offer a high quality retail facility through Carnoustie Golf Links Limited (Pro-shop) to visitors and members which returns a good annual profit making a significant contribution to the reputation and revenue of CGLMC. The new facility should continue to secure this profitable facility which contributes to the overall surplus.

In order to secure the most attractive facilities we will work with the Council and in particular its Roads and Transport teams to consider how best to optimise sustainable improved everyday access and traffic management to our venue as well as for the duration of the Open Championship and other Major Tournaments which we seek to attract.

Developing our People to maintain the highest standards of customer service

The improved facilities will also enable us to centralise our operations and expand the range of services offered to customers. Key to our success is the commitment, input and drive of Trustees who make a considerable voluntary contribution, through their knowledge and experience, to the continuing ability to attract major championships and, at the same time, balance the interests of constituent clubs and season ticket holders.

We have a constant resource profile of c.70 full time employees (FTE) of which around 25% are employed on a seasonal basis. Employment terms and conditions are attractive including payment of the Living Wage. Notwithstanding the percentage of seasonal workers, high levels of staff retention affords greater opportunity to invest in training and development, including recent exchanges and secondments to broaden experience and share knowledge. The recently formed Employee Engagement groups and the introduction of a Remuneration and Reward Committee reinforce the importance we place on ensuring we have a motivated and engaged workforce which we see as the route to improved customer service. The introduction of Bag handling and meeting and greeting services (3 seasonal FTE) have enhanced services offered by CGLMC as identified in our strategy for the Customer Experience.

We recognise that key to success is an ability to deliver outstanding customer service through our employees and agents. We must always ensure our high standards and professionalism are reflected by all persons engaged by, or representing CGLMC, and its Pro Shop company (Carnoustie Golf Links Limited) and in the new Golf Centre which will be a platform for an enhanced customer experience.

Communicate openly and effectively

To be effective in our marketing and in managing our people, supply chain, customers and other stakeholders, we must be proactive and clear in what and how we communicate.

We actively pursue effective communication mechanisms through appropriate channels and technologies with increased emphasis on the use of social media such as Instagram, Facebook and Twitter with followings increasing year on year.

We recognise effective and clear communication is essential to customer service and underpins good employee relations. To support effective engagement with our employees we have recently established Employee Engagement groups to seek views and test new initiatives and support informed change and decision making.

Deliver competitive value and the highest standards of customer service.

In addition to providing excellent facilities we must provide value to those using our facilities. To remain competitive and attractive as well as ensuring continued accessibility to our season ticket holders we must ensure value from our operations. As a charitable organisation we have an obligation to ensure we achieve value with responsible fiscal management.

As we embark upon greater ambitions to secure our place as a world-leading golf experience we monitor our success and performance. Our Trip Adviser reviews of good or excellent stand at 93% which we strive to continuously improve.

We are building on existing platforms and we continue to strengthen our corporate governance and financial systems to ensure they are suitable for an organisation of our size which can be monitor and measure our performance and effectiveness in delivering value and high standards of customer service.

Promote and run an economically and environmentally sustainable business that supports our community

To continue to attract visitors and prestigious Championships our business practices, including our approach to the environment, must be sustainable. We protect the environment and continue to maintain our accreditation from the Golf Environment Organisation for the fourth year running, always ensuring our sourcing and other environmental policies and practices are fit for purpose.

In addition, we are committed to supporting sustainability in our community which is the source of many of our employees and customers. As an employer we pay the Living Wage and seek to develop our people. We actively contribute to Education and cultural activities and local good causes, while our Recruitment and Retention policy supports equal opportunities and recruitment of modern apprentices.

A review of our achievements and performance

2017/18 was a busy and productive 12 months. In the course of the year we delivered:

- The year in general was dominated with the major pending events unfolding, namely, the opening of our new golf Facility, Links House, the appointment of a new Chief Executive and the approach of The 147th Open Championship in July 2018. Both of these projects are years in development and the final stages commanded significant effort from Trustees and staff of Carnoustie Golf Links.
- Hosting Dunhill Links September 2017
 The Dunhill Links is one of the most important European Tour events of the year, which Carnoustie hosts along with St Andrews and Kingsbarns. The 2017 event received mixed weather, but the course looked superb on the television coverage.
- Customer Experience
 Our customer service is crucial to how the organisation is regarded by the people who come to play
 golf at Carnoustie, and who, by doing so, provide the income for us to function. 2017 saw the continued
 success of the 'meeter and greeters' program and the Caddie Master review has also seen continued
 improvements with the introduction of a new SLA

Golf Centre Extension

The vast majority of the works were completed by 31st March but the opening was delayed by a few months due to adverse weather conditions. The building opened its doors to the public on the 24th April 2018 and in line with budget.

 Trustees and the Senior Management Team have continued with strategic development and management training.

Several development and training workshops have taken place with Trustees and senior management so that Trustees in particular have a better understanding of their roles and responsibilities, and how they can best fulfil their duties as a Trustee. This will be an ongoing process as we develop and improve our governance of the charity.

- Charitable donations to local good causes
 Local organisations were again invited to apply for charitable grants and we were pleased to make
 significant awards as detailed below this year.
- CEO
 Our new CEO was onboarded in September 2017 and has made significant inroads to formalising the strategy and company direction of CGLMC over the next 3 years.

Charitable grants

Carnoustie Golf Links has always been a strong supporter of local charities and our activities are detailed below. However, since we became a charity in November 2014, we have actively carried out work directly related to our charitable objects.

In order to fulfil the requirements of the charitable objects, we have produced a charitable grants application form and placed it prominently on our website in order to encourage community groups to apply for funding. We formed a Charitable Applications sub-committee to review the applications received and to make recommendations to the full board of Trustees. We have agreed that we will consider applications twice a year in May and November.

The charitable grants donated in 2017/18 came to £79,025. The amounts donated were:

Angus Bird Club - £500 East Haven Together - £2,524 Carnoustie Choir - £738 Carnoustie HS Mini Rugby Club - £3,639 Kinloch Care Centre - £1,160 S.A.P.A.L.D. - £550 1st Carnoustie Boys Brigade £1,755 Carnoustie Panmure Football Club - £5,000 Carnoustie High School Brass Band - £4,100 Carnoustie Scout Group - £4,000 Carnoustie High School FP Rugby Club - £1,000 Carnoustie Claymores Swimming Club - £3,600 Carnoustie Musical Society £2,000 Royal British Legion - £1,000 Abroath Brass Band - £1,000 Mercantile Golf Club - £582 Maggie's Centre Penguin Parade - £4,000 Carnoustie Baptist Church - £200 Carnoustie Bowling Club - £3,000 Carlogie Primary School - £5,000

Angus Horticultural Society - £800
Caledonia Golf Club - £400
Carnoustie Camera Club - £1,500
Carnoustie Tea Dance - £700
Carnoustie & Monifieth's Men's Shed - £200
Carnoustie Memories Group - £500
Angus Adoption & Fostering Group - £1,080
Letham Grange Golf Club - £3,400
Peter Pan Playgroup - £1,190
Monifieth Athletic Football Club - £1,000
Carnoustie Community Council - £22,500
Small Donations (grouped) - £407

Golfing vouchers

In 2017/18, we donated over £12,000 worth of golfing vouchers to charity.

We also provided charity raffle prizes from the Golf Professionals shop in 2017/18, These had a value in excess of £10,000.

Junior golf

CGLMC provides free junior golf coaching to young people in Angus and Carnoustie. This includes tuition by PGA qualified professionals, playing lessons on the courses and tournament support. The professionals visit the local primary schools and provide lessons to the pupils on site. We also pay all golf club subscriptions for juniors up to the age of 18 years. The cost of this in the financial year 2017/18 was £5,532.

CGLMC also built a 6 hole junior golf course which is maintained to an excellent standard by the greenkeeping staff.

Wildlife Guide

In conjunction with the R&A and the Sports Turf Research Institute, CGLMC produced a wildlife guide detailing the extensive wildlife which can be found on Carnoustie Links. The guide has been distributed free of charge to the local schools, golf clubs, libraries and the local community.

Other Charitable Initiatives

Although not easily quantified in terms of cost, we contribute to the local community in other ways. Our staff carry out maintenance work on the pitch of the local junior football team. We assist the Carnoustie Primary schools with planting and maintaining wildflower gardens. Our staff are leaders, and award winners, in the Operation Pollinator scheme, a UK wide programme to encourage and sustain the nation's bee population.

Financial review

Our financial performance in 2017-18 delivered a consolidated net decrease in funds of £407,774 after the part disposal of the old golf centre was taken into account.

Putting the disposal to one side there would have been a healthy surplus mainly due a net increase in income from green fees.

2,500 season ticket holders generated over £880,000 income in 2017/18, but the majority of income is still delivered from visitors and tournaments, along with pro-shop sales.

Over the next 3-5 years we expect to maintain and grow the level of income in the years preceding and following the 2018 Open Championship. Increased value will also come through improving efficiencies in our strengthened corporate governance and our revised processes and systems.

Salaries and pensions remain by far the most significant item of expenditure. In 2016, the Trustees formed a Reward and Remuneration Committee who assess and control all aspects of staff remuneration. By centralising this responsibility in one area, we are optimistic of improving the controls required to manage this vital area of our expenditure.

Sales from the Pro Shop contributed over £110,000 to the CGLMC surplus. Growth in sales is anticipated in the lead up to the Open in 2018 with mitigation measures to reduce the risk that sales will be impacted during the build phase of the Golf Centre extension.

Pricing policy

CGLMC generates income from season ticket sales and visitor green fees.

The season ticket is maintained at a very competitive price (£468 for a 3 course 7 day ticket in 2017/18) in order to ensure that Carnoustie remains an affordable golf course for everyone.

We also provide lower rates for juniors, young persons up to age 23 and persons aged over 65.

Our largest source of income is visitor green fees, predominantly from the Championship course contributing around 75-80% of our income (excluding the pro shop). The green fee for Carnoustie is the lowest by some way for the Open Championship venues in Scotland, reflecting our commitment to encourage all golfers to play the Carnoustie courses. Nevertheless, it is also important to ensure that the green fee charges are appropriate for one of the best, and most iconic, golf courses in the world.

There is an Angus residents' rate which is 50% of the visitor green fee.

Future plans

The future of CGLMC is to continue to manage public golf courses and carry out our charitable work.

The Golf Centre extension will allow CGLMC to deliver the level of customer service expected of an Open Championship venue. It will also help Carnoustie to remain as one of the host courses for the Open, with all the attendant benefits this brings.

Work will be in full flow in 2017 towards the 2018 Open Championship at Carnoustie and this will be the focus for the next year.

In the course of performing the comprehensive suite of activities and tasks relative to successfully managing a dynamic portfolio of golf courses and associated golf facilities and services, which meets our business needs we will adhere to the following principles reflected in our strategic intent and key objectives:-

Health and Safety

As an overarching principle, we are committed to safe assets, with all assets having site audits in place that incorporate full risk assessment, planned maintenance and good housekeeping.

We are dedicated to an environment that shows employees we care about their wellbeing and are committed to maintaining suitable workplace facilities

Team development

We recognise the valuable contribution and commitment from Trustees in setting the strategic direction of the organisation and supporting staff teams in realising the vision and goals set by them.

We will provide opportunities for our teams to grow and realise their potential, and support them through targeted relevant training to increase levels of multi-skilling and reduce dependency on external providers.

We will ensure all our staff and contractors are encouraged to provide an excellent customer experience. We will seek to enhance staff satisfaction and engagement through regular conversations.

Customer Engagement

Our aim is for excellent customer service and we will strive to achieve this through improving our understanding of our customers' needs and requirements.

We will provide an efficient and effective customer-facing golf services provision to ensure our customers receive a warm welcome and are made fully aware of any Health and Safety restrictions or hazards when they visit.

A progressive working environment will be tailored to reflect employees' preferences.

We will carry out an ongoing programme of capital works paying attention to branding, décor and lighting and heating improvements and overall enhancement making our facilities and sites more energy efficient.

Income and Value for money

Our largest source of income is visitor green fees, predominantly from the championship course. We must therefore ensure we remain competitive and at the same enhance our facilities such that they offer visitors great value for money.

We will always focus on delivering value for money - all our people will maximise the value of every £ we spend on the day to day managing of service and maintenance contracts. We will reduce dependency on external providers by upskilling our own team. We will maximise the use of space and our assets and actively seek property rationalisation opportunities. We will support sustainable building techniques and at the same time reducing operating costs.

Risk management

CGLMC have developed a series of risk tables, using tables originally created by our auditors, Henderson Black & Co and by our advisory accountants, Henderson Loggie. Consultation and advice was also received in 2015 from the Governance Unit of Angus Council.

The risk tables focus on issues than can be improved or resolved, and have now become an agenda item for the Finance sub-committee meetings where progress is reported to the Trustees.

Structure, Governance and Management

CGLMC Limited is a company limited by guarantee and is a charity recognised in Scotland governed by its Memorandum and Articles of Association.

CGLMC Limited manages the golf courses at Carnoustie, which are a public links owned by Angus Council, with the detailed responsibilities set out in a Minute of Agreement created in 1979 with subsequent amendments. The current agreement with Angus Council dated 25 April and 16 May 1988 as varied and novated in favour of the company, as a public park or place of recreation for the purpose of playing golf and ancillary purposes runs until March 31 2033.

A board of 15 Trustees, comprising 12 elected from the constituent golf clubs and 3 from Angus Council, have primary responsibility for the operations of the CGLMC Ltd charity.

The Trustees delegate day-to-day management to the full time staff, headed up by the General Manager, Links Superintendent, Golf Services Manager, Finance Manager and Head Professional.

We have strengthened governance processes and systems with investment in technology to support financial governance and payments. This will provide further opportunity to ensure value through transparency of process and auditability reducing risks of human error due to manual data handling, or fraud by suppliers or employees.

Training and refresh of conflicts of interests and Code of Conduct and the Bribery Act were undertaken contributing to greater transparency and accountability of those serving CGLMC.

Non-compliance with new processes and systems is a risk which can be mitigated with necessary support being put in place to encourage a cultural change for employees.

Compliance with H&S legislation is now essential and mandatory. Sufficient and targeted training has being identified and the appointment of a new H&S Trustee from the Board will help drive forward this agenda.

Remuneration

Trustees are unpaid volunteers and only claim expenses for any trips they are required to undertake away from Carnoustie.

Technology

CGLMC are currently working on a more accessible booking platform for all golfers that will give them the ability to book golf online. This is expected to be operational by 2019

People

People are our key resource are our main element of expenditure. Our resource requirements remain constant over the period with a marginal increase in seasonal staff engaged by the Pro Shop (Carnoustie Golf Links Ltd) in 2017/18 to take account of Bag Handlers, and Meet/Greet services, instituted in pursuance of our Customer Experience strategy.

Regular personal reviews will be carried out with individual team members and personal development actively supported through an environment of coaching and mentoring with further education/training opportunities actively encouraged and supported.

Team discussions will take place regularly keeping staff informed and engaged in recent and future developments affecting the organisation.

We will work to create an improved working environment for all office based employees through the provision of upgraded office accommodation.

Trustee recruitment

The charity seeks to recruit new trustees with appropriate skills. The charity has procedures for the induction of trustees which comprise a meeting with staff, existing trustees and issue of an induction pack. During the meetings key matters such as obligations of trustees, financial and staffing issues and future plans and objectives are discussed. The induction pack contains key documents including an outline history of the charity and latest annual financial statements.

Investment Policy and Performance

Under the memorandum the trustees are empowered to invest monies not immediately required for the furtherance of its objects.

During the year surplus cash balances were placed on deposit so as to be secure and easily realised. The trustees are satisfied with the interest earned.

Reserves Policy

The consolidated unrestricted reserves carried forward amount to £4,120,224 (2017:£4,527,998) which included £8,109,898 (2017:£4,423,502) of fixed assets in use for charitable purposes. The trustees currently have a policy to retain sums at the end of each year for reserves where possible. The trustees aim to build free cash reserves sufficient to enable future development of the recreational facilities and to provide a contingency for unforeseen requirements.

Statement of disclosure to auditors

Patricia A. Sourers

So far as the trustees are aware, there is no relevant audit information of which the company's auditors are unaware. Additionally, the trustees have taken all the necessary steps that they ought to have taken as trustees in order to make themselves aware of all relevant audit information and to establish that the company's auditors are aware of that information.

Approved by the trustees on 10 December 2018 and signed on their behalf by:

Patricia Sawers,

Chairman of Trustees

Trustees' Responsibilities in relation to the Financial Statements

The Trustees (who are the directors of the company for the purposes of company law) are responsible for preparing the annual report and accounts in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards).

Company law requires the Trustees to prepare financial statements for each financial period which give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources, including the income and expenditure of the charity for that period.

In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The Trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

CGLMC LIMITED (LIMITED BY GUARANTEE) INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF CGLMC LIMITED FOR THE YEAR ENDED MARCH 2018

Opinion

We have audited the financial statements of CGLMC Limited ('the charitable company') for the year ended 31 March 2018 which comprise the charity and group Statement of Financial Activities, the charity and group Balance Sheet, the Statement of Cash Flows and the related notes on pages 19 to 30, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the group's and parent charitable company's affairs as at 31 March 2018 and its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts Regulations 2006 (as amended).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that our relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report where:

- the trustees' (who are also the directors of the company for the purposes of company law) use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that
 may cast doubt about the charitable company's ability to continue to adopt the going concern
 basis of accounting for a period of at least twelve months from the date when the financial
 statements are authorised for issue.

CGLMC LIMITED (LIMITED BY GUARANTEE) INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF CGLMC LIMITED FOR THE YEAR ENDED MARCH 2018

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report, prepared for the purposes of company law and included within the trustees' annual report, for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report, contained within the trustees' annual report, has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report, included within the trustees' annual report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006, the Charities and Trustees Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended) require us to report to you if, in our opinion:

- adequate accounting records have not been kept; or
- · the financial statements are not in agreement with the accounting records; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemptions in preparing the directors' report, included within the trustees' annual report, and from the requirement to prepare a strategic report.

CGLMC LIMITED (LIMITED BY GUARANTEE) INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF CGLMC LIMITED FOR THE YEAR ENDED MARCH 2018

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement (set out on page 10), the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the group and the charitable company's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 44(1) of the Charities and Trustee Investment (Scotland) Act 2006 and under the Companies Act 2006 and report in accordance with the Acts and relevant regulation made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made exclusively to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006, and to the charity's trustees, as a body, in accordance with section 44 (1c) of the Charities and Trustee Investment (Scotland) Act 2005 and regulation 10 of the Charity Accounts (Scotland) Regulations 2006 (as amended). Our audit work has been undertaken so that we may state to the company's members and the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity, its members as a body and its trustees as a body, for our audit work, for this report or for the opinions we have formed.

FOR THE YEAR ENDED 31 MARCH 2018

1 Accounting policies

1.1 Accounting convention and Basis of preparation of financial statements

The financial statements are prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Accounts (Scotland) Regulations 2006 (as amended), and the Companies Act 2006.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest \mathfrak{L} .

CGLMC Limited meets the definition of a public benefit entity under FRS 102. The financial statements have been prepared on the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Income

Income represents amounts receivable for goods and services net of VAT and trade discounts.

Course income and facility fees are recorded in the period in which the activity takes place, irrespective of when the activity was booked or paid for. All other income is recorded in the period of receipt.

Revenue from the sale of goods is recognised when the ownership of the goods has passed to the buyer and the amount of revenue can be reliably measured.

1.3 Expenditure

Expenditure is accounted for on an accruals basis. Costs of generated funds include the expenses of non-charitable trading activities. Charitable activities comprise direct expenditure including direct staff costs attributable to charitable activities. Support costs include costs associated with statutory requirements.

1.4 Fund accounting

There is one fund held by the charity which is unrestricted. This fund can be used in accordance with the charitable objectives at the discretion of the trustees.

1.5 Tangible fixed assets and depreciation

Tangible fixed assets other than freehold land are stated at cost, including where appropriate the cost of irrecoverable VAT, less depreciation. Individual items with an original cost of less than £50 (excluding VAT) are not capitalised unless they are part of a larger pattern of expenditure. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Buildings

Over 4 to 20 years

Asset under construction

No depreciation as asset not yet operable

Plant and sprinklers

Over 1 to 10 years

Shop and Office equipment

Over 1 to 5 years

FOR THE YEAR ENDED 31 MARCH 2018

1 Accounting policies

(continued)

1.6 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the charity estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Recognised impairment losses are reversed if, and only if, the reasons for the impairment loss have ceased to apply. Where an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) prior years. A reversal of an impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried in at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

1.7 Leasing and hire purchase commitments

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

1.8 Investments

Fixed asset investments are stated at cost less provision for diminution in value.

1.9 Stock

Stock is valued at the lower of cost and net realisable value.

1.10 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks and other short-term liquid investments with original maturities of three months or less.

FOR THE YEAR ENDED 31 MARCH 2018

1 Accounting policies

(continued)

1.11 Pensions

Eligible employees of the charity are members of the Tayside Pension Fund. The pension scheme is a funded defined benefit scheme with employees' contributions fixed by statute. Employer's contributions are assessed by a qualified actuary on the basis of triennial valuations and are calculated to ensure the actuarial solvency of the fund. An actuarial valuation of the fund (using the projected unit method) as at 31 March 2015 required the charity to contribute 17% of gross salary of the employees in 2014/15. The proposed rate for 2017/18 is 17% of gross salary of the employees. The charity is unable to identify the share of scheme assets and liabilities relating to its staff and pensioners and has therefore accounted for the scheme as if it were a defined contribution scheme.

1.12 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include trade and other receivables and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest rate method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounteds at the market rate of interest.

Classification of financial liabilities

Financial liabilities are classified according to the substance of the contractual arrangements entered into.

Basic financial liabilities, including trade and other payables are initially recognised at transaction price.

Trade payables are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities.

1.13 Basis of consolidation

The consolidated accounts consist of CGLMC Limited and Carnoustie Golf Links Limited, its wholly owned subsidiary company. Gross turnover of the subsidiary is included under income in the consoldiated Statement of Financial Activities. The assets and liabilities of the subsidiary company are reflected in the notes to the accounts.

1.14 Value Added Tax

The charity is partially exempt for VAT purposes and is therefore unable to recover all of the input VAT it is charged on its purchases. In the case of irrecoverable VAT arising on the purchase of fixed assets, the irrecoverable VAT is capitalised and written off at the same rate and over the same period as is applicable to the asset purchased.
