## 2. Conditions

- The event is a Handicap Fourball Match Play knockout competition with each match being played over 18 holes.

- To calculate a Foursomes team handicap, 50% of combined course handicaps is used.
- If a match results in a tie after 18 holes, extra holes will be played from the 1<sup>st</sup> hole in a sudden death format. Handicap strokes are given by hole in the same way as during the 18-hole match.
- If the match is an inter-gender match, then additional strokes are given in favour of girl golfer's due to the difference in course rating. The strokes will be taken using the **women's stroke index**. Please see table below for guidance:

Course	Men's Yellow Tee Rating	Women's Green Tee Rating	Difference in rating to be added to Course Handicap
Burnside	68.3	71.8	3.5 (4)
