**4. 2022 Tournament Preview**

The Head Professional previewed the 2022 season for open tournaments and STH tournaments. An update was given on the Open tournament entries.

The Head Professional asked committee members for support during tournaments if possible.

A trustee enquired if The Gents Links Championship format would be looked at to accommodate a more spread-out event – similar to the structure of the event during the 2020 season. The trustee felt this would be able to accommodate more players. The Head Professional mentioned this could be included in the next tournament review but explained that the competition had a capacity field in 2021 and allowed the Super Saturday finals day to take place which was a success.
