

Burnside Course - Shortened 18th Hole

Course: Burnside Course

Holes: 18th

Effective From: 29th March 2024

Due to storm damage, the burn wall behind the 18th tee of The Championship Course requires to be repaired. To allow safe working conditions for the contractors working in this area, The Burnside Course 18th tee markers (White, Yellow, Green) will all be placed at the Black tee marker, thus shortening the hole to 212 yards for all golfers.

Due to the shortened hole, Scottish Golf have provided a temporary par (for some tees) for The Burnside Course until the course returns to its full length. Course Handicap charts available at the Burnside Starters Box and computer software required for general play scoring and competitions both reflect the temporary par.

Tee Colour	Tee Gender	Normal Par	Temporary Par
