Temporary Local Rule

Course: The Championship Course
Holes: All Holes Where Work Is Taking Place*
Purpose: To Provide Relief From Course Winter Works
Effective From: 2nd November 2026 – 25th March 2027

The areas of the course that are being affected by the Championship Course Winter Works are no play zones that are to be treated as abnormal course conditions. Free relief must be taken from interference by the no play zones under **Rule 16.1b**. Please play from your nearest point of relief.

*The holes and areas in which the winter works are taking place will be changing on a daily basis. Therefore, it will be difficult to define all areas that are abnormal course conditions with white lines or markings. Golfers should use their own best judgment to determine if free relief must be taken as per the rule above.
